Facts About Central Illinois Riding Therapy (CIRT):

CIRT was established in 1983 as a non-profit organization (501c3) that provides horse related therapy to benefit individuals with disabilities. CIRT is a PATH Intl. Premier Center. We serve individuals age three through adult with a variety of physical, behavioral, emotional and mental disabilities including: • Down Syndrome • Cerebral Palsy •

Autism • visual and hearing impairments • learning disabilities • head trauma • strokes • Bi-polar disorder • depression • anxiety disorders • multiple disabilities. CIRT's staff includes a director, office staff, equine coordinator, certified instructors, and over 100 volunteers. Ten horses are used in the program at an average annual cost of \$3,000 per horse. Our mission is "To provide equine activities to persons with disabilities." Your donations and support enable us to realize our mission.
